Details of Professor Dr. Md. Aoulad Hosen

Biography:

[Dr. Aoulad Hosen is a Professor of Economics at the National University of Bangladesh's Academic Committee for Social Science (ACSS). Since 2014, he has been serving as the chairperson of ACSS. ACSS, an on-campus program of the National University, has been conducting an MPhil/PhD and Master of Advanced Studies (thesis-based) academic program for some time now. In the realm of education, he was awarded a PhD in 2011 in the discipline of Economics, and he obtained all first classes/divisions from the Secondary School Certificate to the Master of Science in Economics. Dr. Hosen holds a Bachelor's with Honours in Economics and a Master's Degree from Jahangirnagar University, Dhaka, where he was ranked 6th and 4th in the first class, respectively. He had one year of research exposure as a Research Fellow in the Program for Research on Poverty Alleviation (PRPA) at Grameen Trust, Grameen Bank in Dhaka. Along with to his twenty-six years of teaching and research experience, he has served as Chair of the Department of Economics at Dhaka Commerce College (DCC) since 2005. He has also held the posts of Lecturer and Assistant Professor in the Department of Economics at DCC. He has consistently contributed to international and national journals throughout his professional life. In the various research fields, he has contributed to fifteen articles in prominent International Journals, and two research books in Germany and the World Bank publishing house. He is a member of the Editorial Board of the Journal of Economic Science and Research (JESR), Singapore, for which he has been nominated. Since 2016, Dr. Hosen has been working as a Reviewer for International Business Research (IBR), which is published by the Canadian Center for Science and Education (CCSE). Recent nomination by the Global Advances in Business Studies (GABA) Journal, Indonesia, as Reviewer. Throughout the editorial effort, he was engaged in the publication process, including examining articles, formulating expert opinions on submitted manuscripts, defending the quality of submitted manuscripts, and much more. In accordance with this procedure, he has evaluated fourteen international research manuscripts on behalf of the aforementioned Journals. Dr. Hosen has been supervising a few MPhil, PhD and Master of Advanced Studies (MAS) students in the Discipline of Economics as part of the National University of Bangladesh's Academic Program. A few academics have received MPhil/PhD and MAS degrees under his supervision.]
